1 was taken out of my paychecks on the 5th and 20th of each month, starting in 2014. In July,
2 2018 I discovered that the money that was being deducted for child support payments was not
3 being remitted to DSHS. I was receiving letters from my case worker Lisa Shinn, stating
4 payments were not being made. I made a couple payments with my own money but ended up
5 ~~paying the balance off in full July 2018 of \$3,679.97.~~ This payoff wasn't my choice, DSHS
6 pulled the money from my Wells Fargo account because I was behind on child support
7 payments. I'm attaching all relevant documentation as Exhibit A.
